

CALIFORNIA GREEN ROADS

"It is exciting to see the tremendous opportunity local jurisdictions have both economically and environmentally by using recycled aggregate."

– Margo Reid Brown, CIWMB Chair

Good for the Bottom Line. Good for the Community.
Good for the Environment.

Using recycled-content materials including recycled aggregate, tire derived aggregate, rubberized asphalt concrete and organics can save money and help protect the environment.

Recycled-content materials often have multiple uses and are known for their performance or durability.

To learn more about how recycled-content materials can work for you, visit www.ciwmb.ca.gov.

Using mulch saves money, controls weeds and creates a healthy landscape.
